

Digital Accessibility Policy

Web Accessibility Policy and Accessibility Issue Resolution for the Board of Law Examiners, Board of Continuing Legal Education, Board of Legal Certification, and Lawyer Registration Office.

The Board of Law Examiners, Board of Continuing Legal Education, Board of Legal Certification, and Lawyer Registration Office (“Boards”), as part of the Minnesota Judicial Branch, are committed to providing all people with equal access to the services we provide. Integral to our function as a government agency is the right of all members of the public to access public information. The Boards are committed to providing access to all individuals – with or without disabilities – who wish to use the Boards’ websites, documents, applications, or services to obtain information or resources.

The Boards have developed our information, websites, portals, and web content to ensure compatibility with common adaptive technologies by utilizing the State of Minnesota's Accessibility Standard, which is based on Section 508 of the Rehabilitation Act (as amended) and Web Content Accessibility Guidelines 2.1 AA, in the development of our content.

If information on a webpage, document, or application is not accessible to you, please email us at accessibility@mbcle.state.mn.us. In your email, please provide your contact information, the URL (i.e., link or web address) of the material, and the accessibility problem you have experienced. We will review your correspondence, work to promptly resolve the issue, and provide you an update on how to access the information once resolved.

We will continue to review and update our documents, websites, and applications to ensure compliance with current and future standards.

Links to External Publications and Websites:

The Boards’ websites may contain links to non-Board publications and websites. The Boards have no control over the accessibility of these non-Board publications and external websites. Links are provided as a service to our audience, in an effort to provide additional information where applicable.
